On behalf of the Council of International Federation of Aesthetic Group Gymnastics (IFAGG) I'm very pleased to extended our warmest greeting to everyone attending the 1st Aesthetics Group Gymnastics and Cheerleading Gala organized by the Luxembourg Federation of Choreographic Sports. The Luxembourg Federation of Choreographic Sports is the member of IFAGG and actively make promotion of Aesthetic Group Gymnastics in Luxemburg.

The Aesthetic Group Gymnastics is competitive sport that is over 100 years old. This is an exciting year for IFAGG, 20TH Anniversary of the first international competitions in Aesthetic Group Gymnastics which was held in 1996.

In 2003 was founded the International Federation of Aesthetic Group Gymnastics and is the supreme authority on all matters relating to international Aesthetic Group Gymnastics (AGG).

Personally, I would like to also extend my invaluable gratitude to the President of the Luxembourg Federation of Choreographic Sports (FLSC), Mr. Patrick van Landeghem to promote International Friendship thought the sport of Aesthetic Group Gymnastics.

The Aesthetic Group Gymnastic is a top sport that requires a combination of grace, coordination, agility and art. The philosophy of the sport is founded on harmonious, rhythmic and dynamic movements performed with economic and natural use of strength with a group of gymnasts working together as a one.

Very special thank you to the Gala Organizing Committee, Parents, Coaches, Officials and Fans, as well as everyone in attendance, for supporting all participants and to make these Gala possible. Do enjoy your participation with wonderful experience and bringing back with you the beautiful memories from Luxemburg!
